08.05 Self-Portrait Rubric

Self-Portrait Rubric

50 Points

Review the rubric to see how your work will be graded.

Criteria	I got it!	I'm working on it.	I still need help.
Project Directions	18–20 points I followed all directions and completed all steps for this project.	15–17 points I followed directions and completed some steps for this project.	0–14 points I need to work on following directions and completing the steps for this project.
Element of Art: Community	18–20 points I applied what I learned by designing a self-portrait using at least four elements of art creatively to show proportion in my project.	15–17 points I demonstrated what I learned by using three elements of art in my self-portrait with some creativity.	0–14 points I showed what I learned by using two elements of art but could have used more creativity.
Craftsmanship	4–5 points I showed excellent use of craftsmanship. I showed great use of artistic skill and technique. It appears that I took my time when creating the artwork.	2–3 points I showed a developing use of craftsmanship. I showed a good use of artistic skill and technique. It appears that I took my time when creating the artwork.	0–1 point I need to show good craftsmanship and continue to practice my artistic skills and technique. I need to take more time when creating the artwork.
Complete	4–5 points I completed my project, did my best, and wrote my name.	2–3 points I completed my project and did my best.	0–1 point I need to double-check my work or write my name.
