07.05 Coral Reef: Option 2 Steps

4	<p>Draw a coral reef.</p> <ul style="list-style-type: none">• Use a black permanent marker to make a contour line drawing of what you'd see when looking at a coral reef.• Add a variety of coral, rocks, sea anemones, or sea creatures. <p>TIP: A coral reef is an entire ecosystem! Feel free to draw in sea creatures, shells, and other objects you'd find in a reef.</p>		<input type="checkbox"/>
5	<p>Add color and texture to your drawing with a texture rubbing.</p> <ul style="list-style-type: none">• Walk around and feel for objects that have texture.• Place your drawing on top of the textured object.• Use a crayon flat on its side. Rub the crayon over the paper while it's on top of the textured object.• As you color, the texture and pattern should appear. <p>TIP: Try making texture rubbings using real leaves and shells!</p>		<input type="checkbox"/>
